Tender Register

Tender No:	79317
Tender Title:	Control of Weeds and Pests in Turfed Reserves
Tender Description:	The City of Stirling (City), invites tenders to seek professional Contractors for the control of weeds and pests within the City of Stirling. The required services will be the spraying of Pesticides / Herbicides amongst the various Active and Passive reserves as well as grassed areas. The City currently manages pests and weeds in some 450 parks and reserves, irrigated reserves, and conservation areas, via a program known as Integrated Pest Management (IPM). This program is a core function of the City's Infrastructure Directorate. It encompasses all facets of pest management and the safe use of pesticides. This includes the storage, handling and effective distribution of pesticides as a last resort.
