Guidelines

- Please only donate new items. The gift you donate may be the only present someone receives this Christmas and it's one way we can help families feel special.
- We gratefully accept gift vouchers. They are ideal gifts for teenagers and also helps a parent to purchase a gift for their child's unique personality and interests.
- Please consider older age groups when donating gifts. We always receive gifts for younger children but often run out of gifts for teenagers and parents.
- Please do not wrap gifts. This allows parents the dignity of choosing and wrapping a gift for their child from the donations. Donations of wrapping paper and gift bags are gratefully appreciated.

Donations accepted until Wednesday 15 December.
