In Home Podiatry

In Home Podiatry is available for clients who are housebound and unable to attend a centre.

This is a service funded through Home and Community Care (HACC) and, therefore, clients need to be assessed by the Central Regional Assessment Service on 1300 785 415.

If a client is currently receiving HACC services, they should contact their current service provider, otherwise contact the City of Stirling Client Monitors on 9205 8507 or 9205 8571.
