# EVENT TEAM

The Mirrabooka NAIDOC Event is proudly coordinated by the Mirrabooka NAIDOC Committee which includes community service organisations, local community members and Aboriginal and Torres Strait Islander Elders.

There are many organisations who generously provide their time and funding to enable the event to occur and we thank you for your contribution.

We would like to thank our Elders for all they do for our community and in guiding our NAIDOC celebrations.

The Committee would also like to thank our deadly MC's Preston Culbong and Katelan Stack
