

Tender No:	79247
Tender Title:	Supply and Installation of Fencing and Associated Products
Tender Description:	<p>The City of Stirling (City) invites submissions for the supply and installation of fencing and associated products. This Invitation for Tender (IFT) seeks suitable contractors to provide some or all the following categories of work:</p> <p>Panel 1 – Reserve Fencing; and Panel 2 – Steel Fencing</p> <p>Fencing works play an essential role in supporting the City’s commitment to creating safe, functional, and attractive public spaces. As part of the City’s broader infrastructure and improvement programs, fencing is used to clearly define boundaries, protect assets, manage access, and enhance the visual character of parks, reserves, dunes, bushlands and community facilities.</p> <p>The delivery of fencing works typically includes the installation, replacement, or upgrade of a range of fencing types such as post and ring lock, chain-mesh, steel & aluminium and bollards. Each will be selected to suit the operational, environmental, and aesthetic requirements of the location.</p> <p>These works ensure that public areas are appropriately secured, that pedestrian and vehicle movements are safely managed, and that infrastructure is protected from unauthorised access or damage.</p>
