

Tender No:	63453
Tender Title:	Feral Pest Control Services
Tender Description:	The City of Stirling (Principal) wishes to engage a Contractor to provide animal pest control services within the reserves that are managed by the Principal. The Specification document outlines the minimum standards required for the control of animal pests that involves a combination of methods to manage and reduce the population growth of animal pests. The Principal currently manages 616 hectares of bushland over 68 sites, 33 wetland sites and 6.5 kilometers of coastal dunes and beaches. These reserves range in size from 0.2 hectares to more than 100 hectares. The Contractor must undertake animal pest control services at the Principal's reserves listed in the table below, however controls may be required at other bushland, wetland, road or drainage reserve as directed by the Principal.
