Tender No:	79716
Tender Title:	Building Construction Panel
Tender Description:	The City of Stirling (City) requires suitably qualified and experienced contractors to provide design and construct or construct only services for the refurbishment and/or new construction works on City owned facilities. The objective of this Request is to establish a Panel of prequalified building contractors that enables the City to engage contractors in a timely and efficient manner for the design, refurbishment, construction, and upgrade of City-owned facilities and infrastructure. The projects delivered under this panel will generally have an estimated contract value up to $5 million for each project. Panelists will be asked to provide Fixed Price Lump Sum Quotations as Work Allocations required throughout the term of the contract.
