Tender No:	79623
Tender Title:	Inglewood Youth Parkland – Design and Contract Administration Services
Tender Description:	The City of Stirling (the City) invites suitably qualified and experienced multidisciplinary consultant teams to provide professional design and project delivery services for the Inglewood Youth Parkland Project, located within the Inglewood Public Open Space (POS), Wordsworth Reserve, Inglewood. The project seeks to transform the existing reserve into a contemporary, inclusive and multifunctional youth-focused destination that supports recreation, social interaction, community activation and youth engagement. The development is intended to provide a high-quality public space that is accessible to a broad range of users while incorporating sustainable, climate-responsive and low-maintenance design principles. The successful Consultant will be required to deliver a comprehensive suite of professional services across all project phases, including: • Concept Design; • Detailed Design; • Preparation of construction documentation and specifications; • Tender and procurement assistance; • Contract Administration; • Superintendent Services during construction; and • Defects period administration and project close-out services. The Consultant shall lead and coordinate all required disciplines to develop a design solution that meets the City's project objectives, stakeholder requirements, community engagement outcomes and approved budget. **Mandatory Site Briefing** The mandatory site briefing will provide Tenderers with the opportunity to clarify any uncertainties about the Tender documents prior to the Tender deadline. No pre-registration is required as signing of the attendance register will take place at the site briefing. Sub-contractors, sub-consultants and tradespeople are welcome to attend the site briefing. **Date:** Tuesday, 22 September 2026 **Time:** 10:00am **Location:** Wordsworth Reserve – 60 Alexander Drive, Inglewood WA 6052 (public Open Space directly south of Inglewood Leisure Centre)
