Tender No:	79690
Tender Title:	Integrated Solar Photovoltaic and Battery System 2026/27 Project
Tender Description:	The City of Stirling (City) is looking to engage a suitably qualified and resourced contractor to provide a complete turnkey solution for the design, supply, installation, testing, and commissioning of solar carpark system and solar photovoltaic (PV) systems with integrated battery energy storage across these two sites. (a) City of Stirling Administration Centre Staff Carpark - 25 Cedric Street, Stirling WA 6021 (b) City of Stirling Libraries, Dianella – Lot 79 Chester Avenue, Dianella WA 6059 All works must comply with current Clean Energy Council (CEC) requirements, Western Power technical standards, and relevant Australian/New Zealand Standards (AS/NZS). As part of the tender evaluation process, the City encourages Tenderers to demonstrate innovative approaches to both system design and installation. Tenderers are invited to propose alternative solutions that may enhance system capacity and optimise overall configuration, maximising the utilisation of the nominated inverter capacity while remaining compatible with the site's existing electrical connection infrastructure. **Mandatory Site Briefing** The mandatory site briefing will provide Tenderers with the opportunity to clarify any uncertainties about the Tender documents prior to the Tender deadline. No pre-registration is required as signing of the attendance register will take place at the site briefing. Sub-contractors, sub-consultants and tradespeople are welcome to attend the site briefing. **Location:** City of Stirling Administration Centre Staff Carpark - 25 Cedric Street, Stirling WA 6021 **Date:** Tuesday, 3 November 2026 **Time:** 10:00am-10:45am **Location:** City of Stirling Libraries, Dianella - Lot 79 Chester Avenue, Dianella WA 6059 **Date**: Tuesday, 3 November 2026 **Time:** 11:00am-11:30am
