Host a Club Convo in three easy steps.

Community groups and clubs are the heart of Stirling, places where people connect, belong and thrive.

The City is undertaking a major review of its Strategic Community Plan (Sustainable Stirling 2022-2032) and we want your club's voice to be part of it.

At your next club meeting or get together, host a Club Convo and share your feedback with us. Your input will help inform what Council should focus on over the coming decade.

Step 1: Ask these three questions at your next meeting:

- 1** What would make our community an even better place to live, work or belong in the future?
- 2** What do we need to focus on over the coming decade to unlock the future you see?
- 3** What's one piece of advice you have to guide the development of the City's Strategic Community Plan?

Step 2: Capture your club's responses.

Step 3: Share your feedback, scan the QR code and complete the Club Convos Survey.

Scan the QR code to complete the survey. For more information about Future Stirling initiatives visit www.stirling.wa.gov.au/FutureStirling or call the City on (08) 9205 8555.
