Welcome to Inglewood Ward News, full of services, events and projects in your local area.

With summer almost here, it also means my favourite time of year: Christmas. It's a time to spend with loved ones, to show kindness to those who may need extra support and to celebrate all the great things we have in the City of Stirling.

It's the perfect time to visit the beach or enjoy our fantastic facilities and know that our team is working to help keep you, your family and friends safe. I wish you all a very Merry Christmas and a Happy New Year.

Local news

In September, the City hosted walks in each of our 30 suburbs with 'Local Convos' that tap into locally-led knowledge and priorities. The walks in the Inglewood Ward helped the community connect, chat about local needs and identify priorities.

Inglewood Community Hub is home to many services and Heidi (sculpture) by Claire Bailey.

The City heard that community safety and a sense of community are important to Inglewood Ward residents, and that areas including libraries and local centres help to foster a sense of connection.

We asked Inglewood Ward residents for their favourite thing about the local area and heard about Dianella Regional Open Space, local parks and green, open spaces. We heard locals also feel their neighbourhood is quiet and easily accessible to local shops and public transport.

Improvements to Macaulay Park, Inglewood, started in September and works are scheduled to be completed by the end of 2024, with lighting to come in 2025.

The City recently completed a major outdoor pool redevelopment at Stirling Leisure – Inglewood. The state-of-the-art outdoor pool boasts spectacular facilities, providing a place for people to exercise and build connection.

Stirling Leisure – Inglewood outdoor pool reopened in September.

To help empower residents to ensure their homes are safe and secure, the City offers residents a rebate of up to \$500 for eligible safety and security equipment installed on their property. Last financial year, 650 rebates were provided to City residents totalling \$270,000.

Dianella BMX and Mountain Bike Facility and Pump Track.
