

# Proposed Road Safety Upgrades Inglewood Primary School

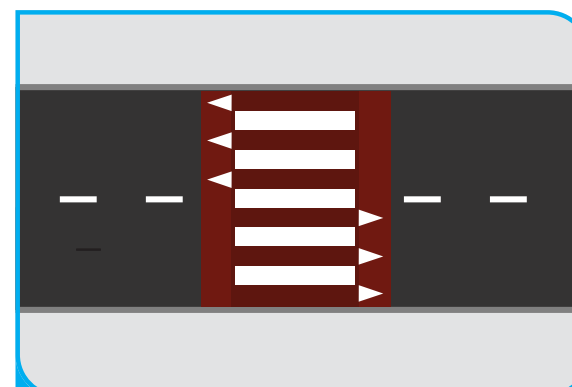

## 1. Raised safety platform

Improves safety for pedestrians and cyclists by slowing vehicle speeds and reducing the risk of serious injury in the event of a collision.

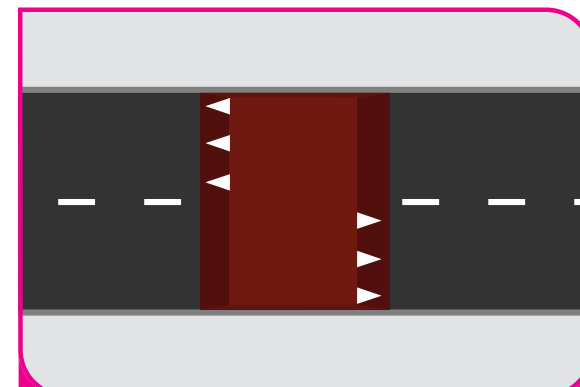

## 2. Asphalt speed cushions

Calms traffic while maintaining access for public transport, emergency services and larger vehicles.

## 3. Raised zebra crossing

Provides a highly visible and accessible crossing point while encouraging lower vehicle speeds at pedestrian crossings.

## 4. Midblock plateau

Creates a safer more convenient place for pedestrians to cross by encouraging lower vehicle speeds between intersections.
