Balga Ward News

December 2025

Perth Glory's new home at Stirling Leisure – Mirrabooka.

A local focus on your community

Mayor's message

Welcome to your local update on services, events and projects in the Balga Ward.

With the 42nd Council of the City of Stirling recently sworn in and our major review of our Strategic Community Plan in full swing, we are focused and committed to building the future our community deserves.

We're also getting closer to my favourite time of year: Christmas. Our newly redeveloped forecourt at the City's Administration Centre will host the Stirling Christmas Lights this year from Sunday 30 November to Sunday 28 December. Our forecourt will come to life with nightly light shows, plus activations and food trucks on Saturday 6, 13 and 20 December.

Mayor Mark Irwin | m: 0418 911 319

Local news

Perth Glory relocated to Stirling Leisure – Mirrabooka and Mirrabooka Regional Open Space after significant turf and facility upgrades. Our partnership will support local school and community visits and offer discounted tickets. The WA Government invested \$1.2 million towards Perth Glory's relocation. The project is part of the WA Government's PlayOn WA initiative to deliver 2,030 community infrastructure items across WA by 2030.

A new waterwise demonstration garden in Barry Britton Reserve, Balga, showcases native plants ideal for creating a waterwise, biodiverse verge garden.

Stirling Leisure – Balga's new outdoor sauna offers a new way to relax and recover. The mural by WA artist David Ledger titled *Steam and Vapour* explores heat and moisture through rising curves, wisps and droplets.

Upgrades to Mirrabooka Town Square include new planter beds and trees, a drinking fountain, bollard lights, a deck connecting to the newly opened Dome Café and three public artworks. Local artists Marisa Santosa and Iwan Isnin painted decorative bollards in collaboration with students from Boyare Primary School, Daniel Iley created wood carvings of native animals and shade sails feature artwork by emerging Nyoongar artist Emily Rose.

Our Community Safety team has been using variable message boards and mobile CCTV trailers near Des Penman Reserve and Woodchester Reserve in Nollamara, Lively Park in Mirrabooka and Esperanto Way in Westminster. These measures aim to deter suspicious or criminal activity, antisocial behaviour and littering.

Future Stirling

A major review of the Strategic Community Plan kicked off our Future Stirling engagement, with 10 pop-ups held in the Balga Ward and 178 locals completing a survey.

Focus areas to emerge include community safety, liveable neighbourhoods and connecting with local areas. These insights will shape the next steps of the review, including community workshops and a Future Forum in early 2026.
