

**\*1. Management Arrangements\***

- **\*Check-In and Check-Out:\*** Guests will be provided with clear instructions for check-in and check-out procedures. A designated contact person will be available for any inquiries during their stay.

- **\*Cleaning:\*** The property will be professionally cleaned before and after each guest's stay. Regular inspections will ensure cleanliness standards are maintained.

- **\*Utilities:\*** Guests will have access to essential utilities, including water, electricity, heating, and internet. Instructions for usage will be provided to ensure a comfortable stay.

**\*2. Number of Guests to Be Accommodated\***

- The accommodation is designed to comfortably host **\*8 guests\***.

**\*3. Sleeping Arrangements\***

- The proposed accommodation features **\*4 bedrooms\***, each furnished with:

- Beds

- Side tables

- Cupboards

- This arrangement ensures adequate sleeping space and storage for all guests.

**\*4. House Rules and Compliance Resolutions\***

- Guests are expected to abide by the following house rules:

- No parties are permitted on the premises.

- Quiet hours must be observed to prevent disturbances during the night, in accordance with local laws.

- Guests are responsible for any damage to furniture and must report issues immediately.

- Additional compliance measures include adherence to fire safety regulations and proper use of utilities.

\*5. Waste Management\*

- Waste management will be facilitated through the provision of \*3 main bins\* at the site:

- General Waste Bin

- Recycling Bin

- Food Waste Bin

- Smaller bins will also be placed throughout the house, including in kitchens and bathrooms, to promote cleanliness and easy waste disposal.
