

## Moyle Pavilion (Inglewood Oval) – Proposed New Building

The City has investigated both refurbishment and new build options for Moyle Pavilion, located on Inglewood Oval. In line with these investigations it is proposed to rebuild Moyle Pavilion on the existing location and improve the building's functionality for current and future sporting club needs.

The location and extent of the proposed rebuild is shown below in figure one, with the red outline being the current building footprint.

Moyle Pavilion will accommodate the Perth Baseball Club and the relocated Mt Lawley Amateur Football Club. The Mt Lawley Inglewood Junior Football Club who currently occupies Moyle Pavilion will move into the proposed new Hamer Park Clubroom.

The Moyle Pavilion component of the project includes:

- A new and contemporary clubroom facility to industry standards which will be positioned in the existing location overlooking Inglewood Oval.
- The provision of three changerooms and with toilet/shower amenities, kitchen/servery, club internal and external storage, two umpires change rooms, internal clubroom toilets, clubroom space and a meeting/office.
- Retention of the external storage shed and caged area for the Perth Baseball Club.
- Inclusion of a public toilet which is universally accessible and autolocked between 6am and 9pm.
- Future path connections have been considered in line with the positioning of the new Moyle Pavilion and are subject to community feedback and budget approvals. They are indicated below in figure one.
- Please note, this project does not include any proposed works for the adjacent carpark at this time.

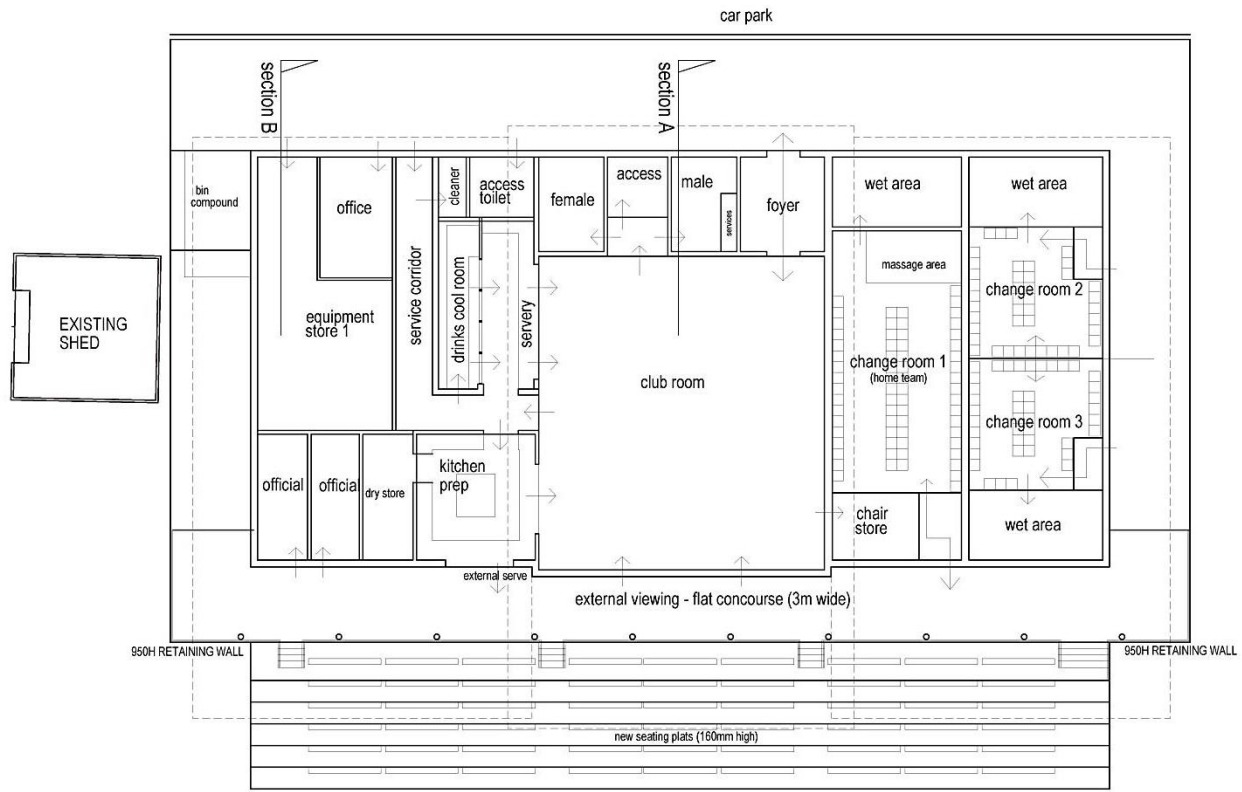

The anticipated commencement of construction for the Moyle Pavilion is January 2020 and is subject to Council budget approval and City tender processes. The City will continue to update the community on the anticipated timeframes as the project progresses.

Comments from the community consultation will be collated and analysed. Following consideration of community comments and any required amendments the proposal will be submitted to Council for budgetary approval. The community will also be informed of any amendments.
