

Overview

The City of Stirling recognises that our heritage buildings form an essential part of our community. The Heritage Grants fund has been developed to demonstrate the City of Stirling's commitment to landowners who want to contribute to the retention and enhancement of the City's built heritage.

The Grants aim to:

- Provide financial assistance to owners in the conservation and restoration of places identified on the City of Stirling's Heritage List;
- Encourage owners to support the designation/retention of buildings recognised on the City of Stirling's Heritage List.
