

Crossover Installation Application Form - Residential

It is a legal requirement that approval for all crossovers is obtained from the City **before** they are constructed. Crossovers are to be constructed in accordance with the City's Crossover Guidelines and Technical Specifications (available on the City's website www.stirling.wa.gov.au). Failure to do so may result in legal action.

NOTE: A Crossover Subsidy may be payable by the City. (Eligibility criteria is listed on the separate Crossover Subsidy Application. If you meet the criteria and wish to apply for a subsidy, complete and submit the Crossover Subsidy Application Form to the City after your crossover is installed.)

What is the property address this crossover application relates to

Lot / House Number:

Street Name:

Suburb:

Property Owner Contact Details

First Name:

Surname:

Postal Address:

I want a copy of the City's correspondence to be sent also to my contractor: YES / NO please circle one option

Crossover Details

How many crossovers are you applying to install at this property?

Material to be used: Brick Paving Concrete

Proposed Crossover width (excluding splays):

Is this property subject to any current building / development approvals? YES / NO please circle one option

If YES, please provide relevant numbers:

Estimated Construction Date:

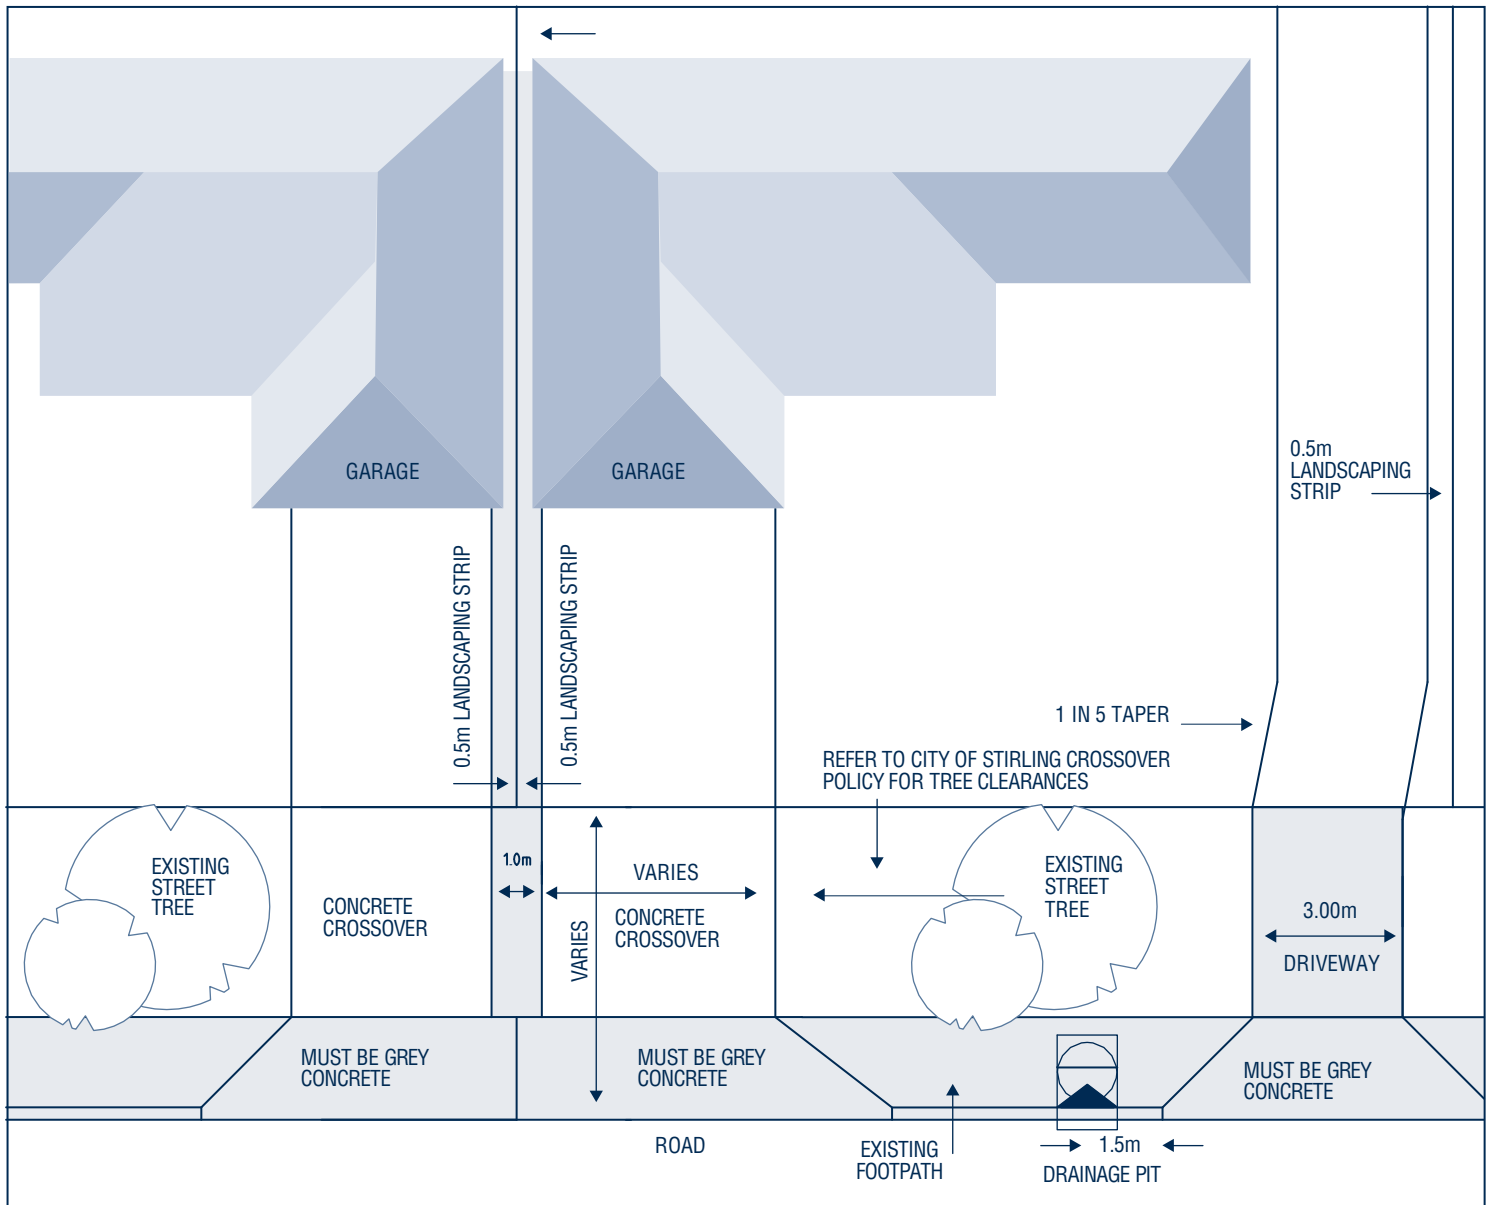

You must provide the City with a scaled plan of the site (no less than 1:200) which includes – the location and dimensions of the proposed crossover, location of the closest crossover on a neighbouring property, any street trees, footpath, public utilities, signage etc (see example overleaf). Please refer to the City's Crossover Guidelines and Technical Specifications for more detail.

A list of the WA Local Government Association (WALGA) Preferred Suppliers is available on their website (www.walga.asn.au). You may use a contractor on this list or source your own contractor, entirely as you wish.

I have read and fully understand the City's Crossover Guidelines and Technical Specifications and agree to adhere to them. The particulars shown in this application are true to the best of my knowledge and belief.
